

Basic genealogy classes at library

There will be a series of genealogy classes teaching the basics of research at Huntsville Public Library on Thursdays from 3 to 5 p.m. beginning Jan. 26. Johnnie Jo Dickenson will guide participants in the research of their family history using investigative tools such as online databases and resources and the library's extensive genealogy collection. The two-hour sessions will be held every week through Feb. 23 in the library's Community Room. Call Mary Kokot at (936) 291-5471 to register or for more information.
