Publisher, paper thanked

Dear Editor:

First, thanks to Mr. Ike Massey, the publisher of the Huntsville Item, and your staff for the publicity and FREE ADVERTISING for the Sesquicentennial project; The Walker County History Book. We, the committee are so glad that most everyone is pleased with "the book."

I'd like to remind people that after Friday, Aug. 15, the price will increase to \$68.33 including tax. Until 5 p.m. that date the

price is \$57.82 including tax. If the book is to be mailed it is still \$3.50 per book. The publisher of the history book sets the price, not the committee.

Hoping to see you at the Huntsville Public Library from 1 p.m. until 4 p.m.

Watch for change of dates and hours beginning Aug. 18 for the purchase times at the library.
