

# Genealogical Society Fete Held Dec. 18

Members of the Walker County Genealogical Society were honored with a lovely luncheon Saturday at the home of Mrs. J. Rush Stewart, following their regular December meeting.

Unusual striking Christmas decorations made the party rooms festive for the occasion, and a fire in the wide fireplace gave added cheer to the setting.

At the meeting preceding the luncheon, the group examined genealogical books and magazines and exchanged information concerning individual projects, with supervision given where needed by Mrs. T. E. Humphrey, president.

A new member was Mrs. H. L. Costilow.

Tables for the luncheon were covered with cutwork linen cloths. A lovely Christmas luncheon plate was served to 11 members attending.
